Package plan — \$60.00 pays for pro and superintendent — covers tournament entry fee, cart, open bar, and dinner. Additional guest fees are \$30.00. Lunch is available from 11:00 am on a cash basis only. Package plan is to be paid in the pro shop.

Our host, Ken Braun, has been at Bonnie View for three years and was formerly assistant to George Thompson at Columbia. Kenny tells us we have the golf course to ourselves on Monday. Last year we had 125 participate in this event, so get your reservation cards in early.

KENTUCKY BLUEGRASS[®]

U.S. Plant Patent #2186 Osmar Variety

A professional grass for professional people

One reason Baron is the choice of most professionals is the combination of fast germination, slow growing and its ability to quickly form what sod growers call "a tight-fisted root system." You can mow Baron as low as 3/8-inch — and that's another reason Baron is ideally suited for golf courses, sod fields, fine lawns, industrial and other landscaping areas. Since Baron is winter hardy, it keeps its deep green color well into the cold months. . . highly disease-resistant, too.
