VANDALISM

(Continued From Page 1)

arrests. The next day I did just that.

Nothing more was heard for about 3 weeks, at which time I was summoned to appear in court. Pending their identification from the audience the Judge was now ready to submit his verdict.

The verdict was guilty and the suspects sentenced to a \$500 fine, 90 days in jail and 2 years probation! The Judge suspended the fine and jail sentence pending a \$500 restitution cost to Hunt Valley Golf Club.

As you can see, guys, there's still hope in our court system to deal with the perennial problem of vandalism to golf course property.

Submitted by Bob Orazi,
Golf Course Superintendent.

Daconil 2787[®] Flowable Fungicide

DACONIL 2787, the broad-spectrum turf fungicide, has proven highly effective against Helminthosporium leaf spot, dollar spot, large brown patch, and red thread. Why use two fungicides when DACONIL is the only flowable fungicide that controls all of these major turf diseases.

Flowable DACONIL 2787 is easy to mix. Just pour it into the spray tank. It disperses quickly... like water with water. Requires only a minimum of agitation. Excellent turf tolerance permits use even in hot, humid weather. DACONIL 2787 has been used on over 25 species and varieties of grass, with no injury. Provides excellent coverage, exceptional residue protection.

For more information, contact your turf distributor.
