

# Thanks Craig

The February newsletter marked the end of Craig Spottswood's tenure as Newsletter Editor. During his tenure, Craig has really added to our newsletter. Not only has Craig showed us how well he can edit a newsletter, but he has shared his and our articles with other editors across the country. He has become very well known nationally.

To edit a newsletter takes much of a person's time. This time is spent for the benefit of the person's peers. Craig has given of his time unselfishly and has done a fantastic job. Thank you Craig, for all of your time and best wishes to you in your future endeavors. You're going to be a hard act to follow.
