

WAYNE'S PLACE

Congratulations are in order to Dick Fischer. Dick is Superintendent at the Lake Monticello Golf Course in Charlottesville, Virginia. Dick was awarded his Certified Golf Course Superintendent's Status and was presented his plaque at our October meeting. Dick was presented his plaque by our Vice President Sam Kessel. This was a great personal pleasure for Sam, as Dick once worked for Sam as his assistant at Country Club of Fairfax.

I've just received a flyer in the mail from the Wisconsin Golf Course Superintendent's Association. This flyer announced their 12th Annual Turf Symposium October 26th and 27th at the Pfister Hotel in Milwaukee, Wisconsin. In the last year I've received 20 flyers announcing Turf Symposiums, seminars and conferences from all over the country, but this year Wisconsin has come up with a very refreshing and very

important format for their symposium. They have pointed out that growing grass is not enough anymore for the progressive golf course superintendent. Their talks include "Professionalism At Its Best", "Pride in Our Profession", and "Keeping Your Head On Straight During Stress", presented by Carl D. Koutsky, M.D. The other lectures include Budgeting, Personnel Management and Club Operations and Economics.

Personally, I get "turfed" to death at many seminars. I hope that the 12th Annual Wisconsin Golf Turf Symposium is a resounding success, and I further hope that other associations will follow their lead.
