

WAYNE'S PLACE

Congratulations are in order to Joe and Peggy Emmanuel. They are the proud parents of a new baby girl. Mother and daughter are doing fine. Other couples with new additions to the families include Mr. & Mrs. Tom Comalli and Mike and Norma MacKenzie.

Please remember, the Association as "Bonds for Babies," but we have to be kept informed on all new births.

Same Kessell is still trying to confirm meeting locations for November and December. If any of you can be of help, please contact Sam at (703) 273-7094.

This year's Superintendent Pro Tournament was a resounding success. We had a good field, great course and finally good weather. Herb deserves all the thanks. If you notice he also deserves all the winning. The Hienliens and the Basslers definitely skinned us on their home court.

Diamond Shamrock

Everything you need to control diseases and weeds in turf and ornamentals.

Ten turf diseases and almost 100 kinds of weeds yield to the Diamond Shamrock Pro-4 turf system. One broad-spectrum fungicide. One preemergence herbicide. One postemergence broadleaf herbicide. One postemergence grassy weed herbicide. That's Diamond Shamrock Pro-4. DACONIL 2787*. The new chemistry fungicide. And now it's a flowable, as well as a wettable powder.

DACTHAL® preemergence herbicide controls *Poa annua*, crabgrass and 15 other weeds. Available in two formulations: wettable powder and granules.

DACAMINE® postemergence herbicide. Non-volatile 2,4-D. Kills more than 70 broadleaf weeds.

DACONATE® 6 postemergence herbicide. The organic arsonate with a high-quality surfactant already mixed in.
