VIRGINIA TURFGRASS CONFERENCE WILLIAMSBURG, VA.

Don't forget to mark your calendar to attend the 1979 Virginia Turfgrass Conference, January 23 - 24. There will be a special ladies program sponsored by the Old Dominion G.C.S.A. We want this to be the best and the largest conference yet.

V.P.I. FALL FIELD DAYS

Another important event to mark on your calendar is the annual V.P.I. Fall Field Days and Trade Show. This year's dates are September 13 - 14 with golf tournament held on the 12th. There is much to be learned at such a meeting and the cost to attend is nominal. Without the hard work and dedication of the turf specialists from this great institution, many of us might not have our jobs today. Let's all make a sincere effort to attend this our own state meeting.

LAWN & GARDEN GYPSUM

EGYPT FARMS EXCLUSIVE! All top dressing ingredients are thoroughly mixed and sterilized by indirect heat in our special process. The sand particles are actually coated with a mixture of top soil & peat humus for a completely homogenous mixture that will not separate during handling and spreading.

Egypt Farms top dressing is formulated especially for the transition zone to specifications recommended by the United States Golf Association, Texas A&M, Penn State, North Carolina, and the University of Maryland.

Many years of research and testing by these leading universities have produced a soil mixture for superior growth; to maintain the best balance of percolation; to resist compaction; for good aeration; and for the retention of usable water & nutrients in the growing medium.

*Green and tee construction materials and mixes conforming to U.S.G.A. specs are also available.
