Mid-Atlantic Association of Golf Course Superintendents to aid in the Advancement of the
Golf course Superintendent through Education and Merit

Volume XXXIII

November 1980

Number 10

Welcome to Chevy Chase

For the first time in the history of the Mid-Atlantic Association of Golf Course Superintendents, we will be holding a meeting at the prestigious Chevy Chase Club, on November 11, 1980, William J. Emerson host Superintendent.

The Chevy Chase Club was founded in 1895. The golf course layout, with very few modifications, is the same as it's been since the mid 1920's. There are a total of 190 acres at Chevy. The golf course measures 6,500 yards; men's par is 69. There are 4-par 3's, 13-par 4's and 1-par 5. Chevy Chase has automatic irrigation around the greens and on the tees with quick couplers in the fairways.

The greens average 6,000 sq. ft. They are cut every day possible in season at 3/16". They receive 3 1/2 lbs. of N annually with supplemental summer feeding using iron and trace elements. The turf on the greens is by now best described as a "Heinz" mix with Penncross overseeded at 1/2 lb./1000 sq. ft. every fall. A preventative program for diseases, insects and weeds is followed but not always 100% successfully. They receive a heavy topdressing every fall.

Tees and aprons are cut at 7/16" every other day. The turf is predominately cool season with some bermuda encroaching. The tees average 4,500 sq. ft.

The 36 acres of fairways are cut 3 times each week at 3/4" in the spring and fall, and 1" in July and August. They receive 3 lbs. of N yearly; 2 lbs in the fall and 1 lb. in the late spring. The fairways are over seeded with 80% ryegrass - 20% bluegrass at 100 lbs. per acre. Fungicides are applied on a curative basis, insecticides applied on a curative basis, insecticides applied as needed and crabgrass is controlled with a preventative program.

The rough's are cut weekly or less at 2".

Bill's personal background - "I was going to be a priest but I had such a back log of penance to do that the almighty thought that if I spent my years here as a Golf Course Superintendent, I might be close to even by the time I got there."

President's Message

Congratulations to Bob Orazi and committee for their hard work in pulling off a successful Mid-Atlantic Booster Tournament held at Baltimore Country Club on September 23, 1980.

Host Superintendent Merrill Frank and staff had the Five Farms Course in excellent condition. Playing conditions that made everyone envious. "Congratulations, Merrill".

Although the fund raising event is still in its infant stage, it has been a tremendous success. With more support and participation, the tournament will be a valuable tool in funding the future of the turfgrass industry.

Bill Emerson always rolls out the red carpet for his fellow superintendents.

Don't miss an opportunity to play one of the finest in the Mid-Atlantic.

Watch out for the "traps".

See you at Chevy Chase.

PROGRAM FOR THE DAY

Golf - Anytime - Please note on return card:

A. Desired starting time

B. Cart or Caddy

Carts are available by club rule to those that

are: 1. over 65 years old

Mid-Atlantic Booster Tournament

On Tuesday, September 23, the Maryland Turfgrass Council sponsored the second annual Mid-Atlantic Turfgrass Booster Tournament at Baltimore Country Club. Merrill Frank, host superintendent, provided the prestigious East course in condition second to none in the Mid-Atlantic area.

Following 18 holes of play which started promptly with a 1:30 p.m. shotgun start, everyone was treated to a scrumptious buffet dinner. Everyone who participated received a set of 6-12oz. glasses with the Musser and M.T.C. emblem etched on them. Profits from the tournament will be contributed to the Musser International Turfgrass Foundation with matching funds being donated to the University of Maryland Agronomy Dept. by the M.T.C.

Results of the tournament:

Bob Orazi, Chairman

December - Election Meeting

The nominating committee nominates the following slate of candidates for election:

OFFICE	TERM	CANDIDATE(S)
President	1 year	Michael B. McKenzie
Vice- President	1 year	Bob Orazi Ben Stagg
Secretary	1 year	Michael Larsen
Treasurer	1 year	Wayne Evans
Directors	3 years	(3 to be elected) Paul Barefoot Mike Claffey Merrill Frank Tom Miller Grant Pensinger Lou Rudinski Ed Schmitt

Voting members are reminded that Article VI, Section B, makes provisions for nominations from the floor.

Nominating Committee

William J. Emerson
Lee C. Dieter
George Thompson
Sam Kessel, Chairman

By Laws Changes

Michael McKenzie, Chairman

The following are proposed changes to the Mid-Atlantic Association of G.C.S. By-Laws. Changes are in *italic*,

Article II

Section I – Compensation

No salary or other compensation shall be paid any officer of the Association except the Secretary *and Treasurer*. The Treasurer's bond will be set by the Board of Directors.

Article IV

Section A – Membership

Only members of the Golf Course Superintendents Association of America in good standing and good moral character or pending members who may desire to become a class AA, class A, class B, class D, class E, class F, *or class G* member of the Association shall present or cause to be presented to the Membership Committee an application on the form approved and supplied by the Membership Committee, signed by himself and two voting members of the Association in good standing as sponsors for him. Proof of membership or pending membership in the Golf Course Superintendents Assoc. of America, initiation and one years dues in advance must accompany application for membership. Applicants for class D membership must meet all requirements stated above except they need not be members of the Golf Course Superintendents Association of America. Annually, in March, class C memberships will be selected and approved by the Board of Directors.

Applicants for class G membership must meet all the requirements stated above except they need not be members of the Golf Course Superintendents Association of America. Annually, in March class G memberships will be approved by the Board of Directors.

Article V

Section A- Classes

There shall be *Eight (8)* classes of membership:

Voting members

- class A-Golf Course Superintendents
- class B-Golf or Assistant Golf Course Superintendents

Non-voting members

- class AA - Life members
- class C - Complimentary (Honorary, Complimentary, Student or Inactive)
- class D - Assistant Golf Course Superintendents
- class F - Associate
- class G - *Special Associate*

Section K – *Special Associate*

To qualify for Special Associate membership an applicant must be a person interested in the growing, management or production of turfgrass and who

does not qualify for membership in another class and who shall have sufficient interest to attend meetings and work for the benefit of the Association, shall have all privileges of the Association except the right to vote and hold office. The Board of Directors will approve these memberships annually in March.

Around the Mid-Atlantic

As of November 1, 1980, Carroll Davis is retiring from Flintkote Corp. and will be associated with Egypt Farms. Carroll will still be selling trap sand, but through Egypt Farms as the distributor for Flintkote, as they are not hiring another salesman.

Dr. Fred V. Grau, long-time friend of turf and turf-grass managers, announces that he will assist the firm of William and Mary Enterprises, Delta, Pa., in introducing the product COMPOST - PLUS to golf courses in the Northeast. COMPOST-PLUS is a durable environmentally sound soil conditioner and growing medium for turf, flowers, trees and shrubs. Dr. Grau continues as president of the tax-exempt Musser Foundation, which helps train graduate students. He states that he will share whatever he makes with the Musser Foundation. His principal contact with golf course architects, golf course builders and golf course superintendents will be by telephone and letters. No changes of residence is contemplated and he will remain in College Park, Md. where he has lived

for 34 years and where he will be available for telephone consultation.

Heard - "Grizzly" Emerson describing how he caught 52 raccoons on his golf course and turned them loose in Germantown. Seen 2 days later - a herd of raccoons heading south on route 270 carrying signs "Chevy Chase or Bust".

Do you know who Bill Glover and Reuben Hines are? Coming in the December Newsletter you will find out.

Twin Shields Golf Club is looking for a Superintendent. The new man will work with Ed Wilson for a couple of months and then take over. Contact Roy Shields at Twin Shields.

Mid-Atlantic shirts and sweaters will be for sale at the November meeting. In the future, in addition to shirts and sweaters, pants, hats, jackets, bags, umbrellas and just about any other golf item that you can think of will be available with the Mid-Atlantic emblem.

Code of Ethics

Observance of this code can only elevate the entire profession. Disregarding it will bring discredit not only to the individual but to all superintendents. Because it is a voluntary code, it can be enforced only by the desire to win and hold the respect and regard of fellow superintendents. Therefore, its enforcement is up to individual members.

As a member of the Mid-Atlantic and Golf Course Superintendents Associations of America, I pledge myself to:

1. Recognize and discharge all my responsibilities to my employers at all times.
2. Practice and insist on sound business principles in exercising the responsibilities of my position.
3. Utilize every opportunity to extend my professional knowledge in order to increase my value to my employers, my industry and my profession.
4. Truly assume the responsibility for the physical well-being of my golf course by insisting on and exercising the prerogative of my professional judgment in declaring my golf course playable or unplayable, according to prevailing conditions.
5. Maintain the highest standards of personal conduct to reflect credit and add to the stature of the profession of Golf Course Superintendency.
6. Neither engage in nor support any exploitation of my Association, industry or profession.

7. Avoid dissemination of any malicious information concerning other golf courses and/or other Golf Course Superintendents.

8. Lend my support to, and actively participate in, the efforts of my local Chapter and National Association to improve public understanding and recognition of the profession of Golf Course Superintendency.

9. Extend technical help to any golf course when called upon by the Superintendent.

10. Recognize, observe and expect in return the highest standards of integrity in my relationship with other Golf Course Superintendents as follows:

A. *When seeking employment*

- (1) I will seek counsel of local GCSAA Chapters when applying for a position in any district.
- (2) I will make certain the position is open before making application to any prospective employer.
- (3) I will ascertain and uphold the salary level of the district in which I negotiate for a position.
- (4) I will, when possible, speak to the man who is leaving or has left the position for which I am considered.

B. *When visiting other golf courses*

- (1) I will call on the Superintendent of the golf course.
- (2) I will present my GCSAA membership card.

EGYPT FARMS EXCLUSIVE! All top dressing ingredients are thoroughly mixed and sterilized by indirect heat in our special process. The sand particles are actually coated with a mixture of top soil & peat humus for a completely homogenous mixture that will not separate during handling and spreading.

Egypt Farms top dressing is formulated especially for the transition zone to specifications recommended by the United States Golf Association, Texas A&M, Penn State, North Carolina, and the University of Maryland.

Many years of research and testing by these leading universities have produced a soil mixture for superior growth; to maintain the best balance of percolation; to resist compaction; for good aeration; and for the retention of usable water & nutrients in the growing medium.

*Green and tee construction materials and mixes conforming to U.S.G.A. specs are also available.

IBDU® (31-0-0) and PAR EX® fertilizers with IBDU are custom formulated for high maintenance, high quality turfgrass. Check with your local PAR EX territory manager or distributor for other available grades.
