President's Message

September is finally here and were over the "HUMP". As always, September is our join meeting with our brothers to the north. This yearly meeting gives us a chance to talk and exchange ideas with our old friends. It also gives us an opportunity to see and play a golf course in a different territory.

Anyone who has played in the team matches, verses the Philadelphia Association, knows the fun we have. If you'd like to be a part of the competition call Ken Braun immediately.

What can be said about our annual picnic. Our host Bob Milligan made arrangements to have a beautiful day, Mike Larsen took care of all the details and provided us with one of the best "EATIN" picnics ever. Thanks also to all of the other volunteers who helped.

Looking forward to seeing all of you at Hercules C.C. and let's bring back that team match trophy again this year.

Ron
