

## Piney Branch Golf Club Continued from Page 1

The irrigation is manual - greens, tees and fairways. The source is a 5 1/2 acre lake, and 2 ponds fed by nearby springs. There is a practice trap, green, tee and range for your convenience. Par is 71.

PGA pro and director of operations, Tim McCoy, will meet you in the pro shop. The banquet and dining facilities are handled by Barbara and Erroll Houck.

Our host, Gene Dyke, has been associated with Piney Branch for 13 years. Before that, he was associated with Sleepy Hollow, Charlestown, W. Va. for 4 years. Prior to becoming a superintendent, he spent several years in the maintenance department of various clubs in the Winchester, Va. area. He is a self-taught superintendent and doesn't claim to know all the answers. Gene and his wife Darlene have one child and reside in Manchester, Md.

To those that do not play, golf carts are available, just for the asking, to see and ride the golf course. A point of interest may be the complete reconstruction of #12 green by our own maintenance staff. Post cards would be appreciated

## History's Largest Divot

Rick Werner, now professional at the Country Club of Ashland, Ohio, may have taken the largest divot ever during a round at the Quaker Ridge Golf Club in Scarsdale, N.Y. Playing a 185-yard second shot on the par-4 14th hole with a 9-iron, Werner took a divot later measured at 22 inches long and 14 inches wide. Playing partner Jim McLean, professional at the Sunningdale Country Club in Scarsdale, reports that the shot flew the green.
