President's Message

Spring is here and so is the much needed rain. It's good to see the ponds and lakes starting to fill again. The grass is really going to jump when the sun comes out again.

I want to welcome you all to the Annual Superintendent - Pro Tournament held at the U.S. Naval Academy Golf Course on May 12th. We are hoping for a large turn out so let's go, fellows, and get your Pro or Assistant Pro lined up for this event. We have planned a shotgun start at 1:00, a good menu and an excellent speaker. Cards or a phone call are a must! Call 757-4406 or 757-2022.

Ralph McNeal as usual had his course in super shape, but mother nature saw fit to water the course.

Mike McKenzie

Navy Meeting - U.S. Naval Academy

The U.S. Naval Academy will be the host course for the 9th Annual Superintendent/Pro Tournament. Hosts Mike McKenzie and Larry Ringer will provide a very enjoyable day and they are hoping for a big turn out.

The greens consist of a mixture of Seaside, Washington, Congressional, Arlington, Cohansey, Penncross and Poa. They are mowed 4 times a week at 3/16 inch with walking greensmowers as they only average about 4,000 square feet. The tees are a combination Bluegrass, Ryegrass and Bermuda and are cut at 3/4 inch. The fairways are a mixture of Bluegrass and Bermuda and are overseeded with Ryegrass. They are also cut at 3/4 inch.
