Famed Rolling Road Golf Club Will Host November 13 Meeting

Rolling Road Golf Club in Catonsville, designed by the legendary Scots architect, Willie Park, Jr., and built in 1920, will be the host club for the Mid-Atlantic's November 13 meeting. As with many older courses, it is short, playing to 5,935 yards and par 70, and covers only 98 acres in an area of rolling hills. Its small greens are considered "tricky" and difficult to putt.

Willie Park, Jr., was part of the second generation of a family highly regarded in Scottish golf's history. Born in Musselburgh, he had a number of careers, including professional, greenskeeper, clubmaker, and writer. As a player, he won the British Opens of 1887 and 1889 and was runnerup in 1898. During two long periods in the United States, 1895-98 and 1916-24, he designed some 70 golf courses, including Baltimore Country Club, Atlantic City Country Club (a natural links), and the Pittsburgh Field Club. Among his better known courses in Britain were Sunningdale and Huntercombe. The entire Park family were noted golfers, greenskeep-

ers, and architects, including his father Willie Sr., his uncle Mungo Park, and his brother, Mungo Park II.

Few changes have been made at Rolling Road, although No. 18 has just been reconstructed based on an Eddie Ault design that conforms to the overall aspect of the course. Michael Doetzer is the golf course superintendent, and he mows the bent/poa annua greens six times a week to 3/16" and the bluegrass/rye fairways (in their third year of rye overseeding) three times a week to 13/16". The rough is cut once a week to 2". Fertilizing schedule includes 4-5

pounds of N each year, applied 1 pound each in September, October, and November plus quarter-pound applications in the summer months. Fairways get 2-3 pounds of N per year in September and October.

Golf will be available to MAAGCS members after 11 on November 13, with net and gross prizes for open play. Cocktails will be at 6 and dinner at 7 p.m.

Directions from the Baltimore Beltway (reached via I-95 from the Washington area) are to take Exit 12, Wilkins Avenue, off the Beltway, and go approximately 1 mile west to Hilltop Road. Turn right on Hilltop Road to the club entrance.
