PLEASE — COME TO THE PICNIC

The board of directors of your association, in an effort to reach all the members, has changed the schedule of events at the picnic. It was felt that we were not reaching all the members previously. Members with working wives, assistants that spend the whole work day at their club, and members that just felt they couldn't get away for the afternoon were being excluded from participation. So — we are going to wait till later (5:00) to break out

the food. Golf, tennis, swimming, games, playground, and entertainment will be available after 1:30, so come on out and work up a good appetite and thirst. We hope that those of you that haven't been coming for these reasons will come this year. Remember, bring a salad or dessert for about 10-12 people.

The most important thing the day offers is the chance for our families to meet and visit with each other. Your

family will realize that they aren't the only ones that have a different summer than the rest of the world does. They may even come to realize that their Dad (husband) is just one of a dedicated group of professionals that give a lot of themselves to their chosen work.

DIRECTIONS: Take the River Road exit from the Beltway (495) and drive 11½ miles toward Potomac to the northwest. Bretton Woods is on the left side of River Road.
