

## President's Message

I've always looked at the Superintendent/Pro Tournament, not only as one of the highlights of the year, but as another opportunity to reaffirm the fact that we are an integral part of the management team at our clubs. Cultivating a positive relationship with the pro can be difficult at times, but is immensely important in the big picture of a smooth-running operation.

To help us with the cost of this first class event, several of our distributors have lent their generous support. Make a point to thank them. They always seem to be there when we need them.

I would like to announce that I plan on winning the tournament this year, so the rest of you can stay home.

*Bill Neus, CGCS, President*

## Bits and Pieces

○ The deadline for making reservations for the monthly meeting is the Friday before the meeting at 3:00 p.m. It is important for the host to have an accurate count at this time. You should not call the host directly. You should not call the clubhouse or restaurant directly. You should call 301-381-0030. This is a reflection of our professionalism. Do your part.

○ The lack of membership I.D. badges seen at monthly meetings was a topic of discussion at the April board meeting. If you have your badge, please wear it to the monthly meetings. If you have lost your badge, call Donn Dietrich at 838-0722 and for a nominal fee he will see that you get a new one. If you are a new member or somehow never received a badge, Donn will furnish you one free.

○ The May meeting will not include an educational speaker. That is not to say that it is not an education listening to Bill Neus speak. However, Stanley Zontek will not be present as previously announced. Also, Mary Ellen Setting will speak at the June meeting at Chestnut Ridge C.C. She is the Chief of the Pesticide Regulation Section of the Maryland Department of Agriculture. Mary Ellen promises to captivate us with information that is near and dear to our hearts. Gary Crone is superintendent at Chestnut Ridge C.C. and will host the June meeting. Dr. James Beard will speak at the July meeting at Caroline C.C. The July meeting will be held on Wednesday July 11th and will begin at noon. Jim McHenry will host the July meeting.

○ *Developing Your Hazard Communication Program* is the title of the regional seminar to be presented on January 9, 1991 in Baltimore. Yes, we have a long, hot summer to make it through, but I just thought I'd let you know.

○ The Dinner-only reservations will be in very short supply for the May 8th meeting. Make your reservations ASAP. The supt-pro tournament is sold out. The day will begin at 11:30 a.m. with a buffet luncheon, followed by a 1:00 p.m. shotgun start. The cocktail hour will begin at 6:30 p.m. and dinner at 7:30 p.m.

○ The Great Game of Golf, an exhibit of golf memorabilia, is open for your viewing enjoyment at Lost and Found, 3734 Howard Avenue, Kensington, MD. The items on display range from old golf balls and books and other objects with a golf motif. Also included are a golfer's manicure set in a tiny golf bag; a painted cast iron parlor putter for indoor practice; and a miniature golf cart filled with golf-club-shaped toothpicks. The collection is the tangible representation of Lee Dieter's long love for the game of golf. In case you missed last month's issue, Lee Dieter is the Golf Course Superintendent at Washington Golf and Country Club. If you get a chance, go down to Kensington to see this marvelous display. Through June 30. Admission is free. Hours Monday through Saturday, 11:00 a.m. to 5:00 p.m.; Sunday, noon to 5:00 p.m. Call 946-8666 for more info.
