PRESIDENT'S MESSAGE

Thanks to golf chairman Scott Wagner and our host Ben Stagg, our annual Superintendent-Pro Tournament

was a huge success. The food was excellent, the golf course was great and the weather even co-operated.

Ben and the staff at Hog Neck did a remarkable job of getting 61 teams around the golf course and across the street to dinner on time.

It's always good to get away from our own jobs for a while, but a day with our golf professionals and our peers always helps to break up the stress and tension of our daily schedules and it also helps make the bonds between us and our professional staff stronger.

As we all sort of predicted, we haven't had much of a spring. We have already gone right into the 90-degree days in the first weeks of May. Our courses are saturated in some places, drying out in others, packed with golfers and we are all trying to prepare ourselves for whatever summer will bring.

All this makes the one or two days a month we can get away from our own jobs to be with our friends even more important to all of us. I think it helps a great deal with our attitude, the way we face our daily tasks, with the normal stress of our jobs as well as with the stresses of life.

Our reservations for the last two meetings have been excellent. Your help and continued support in this matter are appreciated by all concerned.

Our next meeting will be at Reston Golf Course and our host, Wayne Brissey, has another good day planned for us.

Because we will be eating dinner at a nearby restaurant, *early* reservations are requested.

Thanks again and see you on June 11.

*Nick Vance, CGCS
President, MAAGCS*

GOLF NOTES

Congratulations to our 1991 Superintendent/Pro winners. Coming in first for the third year in a row were Craig Rhodrick and Mike McGinnis from Holly Hills. Craig and Mike combined for a very fine score of 63.

Many thanks to Ben Stagg and his entire crew for an excellent golf course and a very enjoyable day. Along with that, thanks go to Mark Herrmann and his staff for all their help.

Our June meeting at Reston Golf Course will be hosted by Wayne Brissey. Golf for this month will be individual play with prizes awarded in both net and gross divisions. Limited tee times between 11 a.m. and 1 p.m. Please call the pro shop for a starting time:

703-620-9333.

*Scott Wagner
Golf Chairman, MAAGCS*

The Ex Stands For Excellence

Why the EX STANDS FOR EXCELLENCE in professional turf care.

- Par Ex is the only professional fertilizer line containing IBDU and is truly the finest slow release Nitrogen source in the world.
- IBDU gives you the highest level of WIN or Water Insoluble Nitrogen.
- IBDU delivers all of its Nitrogen in a single growing season.
- The Nitrogen release rate of IBDU is generally affected by only two factors: soil moisture and granule size.
- Slower release makes Par Ex products perfect for your Fall Fertilization program.
- Fewer applications are required. Labor costs are cut.
- The salt index of IBDU is the lowest of all commonly used fertilizer materials.
- IBDU fights nitrate pollution because very little Nitrogen is lost through leaching or volatilization.
- Choose from over 60 different product formulations.
