

## RHYS'S PIECES

○ Gary Harshman was awarded a \$1,000 GCSAA scholarship for his submitted article *Environmental Challenges of the Golf Course Manager in the 90s*. He was one of three recipients from numerous applicants throughout the country. Gary will be graduating from the Institute of Applied Agriculture in December.

○ Our Education Chairman, "Doctor Dean" Graves, reports that the GCSAA Negotiating seminar held November 6 was attended by 30 eager learners. Next year the Association plans to host a two-day seminar, *Environmental Consideration in Golf Course Management*, during the first week in December.

○ Mark your calendars! The GCSAA will be hosting a one-day seminar for Spray Technicians at

Caves Valley on 2 March 1993. Registration for the event is limited, and will be sold on a first-come, first-serve basis. If you have questions about registration, call the GCSAA at 913-832-4444, or refer to your mailing sent earlier this fall.

○ Andrew Sheehan of Kenwood Golf & CC wed Ann Vanlandingham on October 3 at a very intimate ceremony in Chevy Chase. Congratulations Ann and Andy.

○ Bruce Steinmiller of Cambridge Country Club, and his wife Linda are celebrating the birth of their daughter, Samantha Marie on October 19 at 3:24 p.m. Linda and Samantha are reported doing fine.

○ Along those same lines, David Boniface, the Assistant at Maryland G&CC and his wife Carrole, have a new baby boy, John David, born November 4. Congratulations to all!

○ Chris Ayers is to be congratulated on his new position as Superintendent of Lakewood CC. Chris was the Assistant at Baltimore CC. Chris' new office phone number is 301-762-0570.

○ John Haley has a new job. After doing a fine job at Westwinds, John finds himself commuting from his home in Rockville to Chartwell CC. John's Assistant at Chartwell is Bill Sapp, a new member of the MAAGCS. For those who don't have it, John and Bill's phone is 410-987-1982.

○ This will be the last issue of *Turfgrass Matters* for 1992. The next issue will be March 1993. Both Betty Ford and I have enjoyed working on the newsletter this year, and we hope that you are pleased in the improvements that have been made.

○ Oh, and of course, Lee Dieter is still at Washington Golf!
