

GOLF NOTES

On October 5 the MAAGCS golf team of Nick Vance, Walter Montross, Scott Wagner, George Renault, Dean Graves, Ron Hawkins, Tim sage, and Bill Shirk made a visit to Farmington GC, in Farmington, Ct. to play in the Met Tournament. The tournament consisted of four net players and four gross players, then taking three of the four best scores for each net and gross and combining them for a total score. The team finished three shots behind the third-place team. However, Scott Wagner did tie for first place in the individual gross division with a very fine round of 77. Unfortunately, Scott lost in a sudden death play-off. Great going, Scott. I think your caddy caused you to miss that putt!

NEW FROM JACOBSEN...

QuickRoll™
Greens Roller

Jacobsen's **QuickRoll** greens rollers give your greens a firm, true putting surface fast. Regular use can increase green speed by 10-15%. And **QuickRoll** rollers mount on your Jacobsen Greens King IV, so no expensive, dedicated rolling machine is needed. Regular use levels bumpy putting surfaces, creating faster, more consistent greens.
