

John Deere Tournament

Plans are set for the seventh Annual John Deere Regional Team Championship Tournaments. The first was held at Rolling Green Golf Club in Springfield, Pennsylvania on August 24. The second tournament will be at Turf Valley Country Club on October 11. *Each club may participate in only one event.*

The winning regional team qualifies for the National Championship in Palm Springs, California, November 19-22. The foursome should consist of one superintendent*, President, General Manager, and Golf Professional. The format is a modified scramble with limits on the team handicaps. Prizes, gift certificates, and free use of John Deere turf products are among the team prizes.

Deere and Company will be donating \$20 per team that participates in our regional qualifiers to the GCSAA Scholarship and Research Fund. Finch Turf Equipment will be donating \$10 per team to the superintendents association with the most participants for each tournament.

Each tournament is limited to the first 32 teams that respond. More information will be coming in the mail to each golf course superintendent in our territory.

*The superintendent must be a member of the National GCSAA in order to go to the national event. Non-membership does not prohibit entry in the regional tournament.
