

GOLF NOTES

Since there was no golf event in July, here is an update on the Player-of-the-Year standings. With two tournaments accounting for points totals so far, the leaders are: Bill Shirk—90 points, Ron Hawkins—50, Jim McHenry—50, Jeff Miskin—50, Greg Rosenthal—50, Nick Vance—50.

There are five other players with 40 points each. With three tournaments remaining, Player-of-the-Year honors are still up for grabs.

August 9 will have everyone enjoying our annual picnic, this year being held at Hobbit's Glen. For this month's meeting we are going to have a mixed event. Husbands and wives, boyfriends and girlfriends can play a better ball, full handicap tournament. Make your own foursome and have some fun. Tournament cost will be \$10/team. Tee times are available any-time after 11:00 a.m., but everyone must call the Pro Shop to reserve a tee time—410-730-5980.

September event: Two-man championship. This is also a lunch meeting.

Dramatically improves turf quality while reducing vertical turf growth, clippings and water use

TGR[®] Turf Enhancer 50 WP improves turf quality, consistency and playability of golf course greens and fairways for 6 to 8 weeks by producing a dense, tightly knit turf stand. It also reduces clippings up to 50 percent and stimulates extended greening for up to 12 weeks when used with a nitrogen fertilizer.
