

John Deere Tournaments Announced

Plans are set for the Eighth Annual John Deere Regional Team Championship Tournaments. The first tournament is set for the Berkshire Country Club in Reading, Pa. on September 30, 1994. The second tournament will be at Green Spring Valley Hunt Club in Baltimore, Md. on October 10, 1994. Each club may choose to participate in only *one* event.

The winning regional team qualifies for the National Championship in Palm Springs, California, November 10-13, 1994. The foursome must consist of the superintendent*, president, general manager and golf pro. The format is a modified scramble with limits on the team handicaps. Prizes, gift certificates and free use of John Deere Turf products are

among the team prizes.

Deere and Company will donate \$20 to the GCSAA Scholarship and Research Fund for each team that participates in our regional qualifier. Finch Turf Equipment will donate \$10 per team to the Superintendents Association with the most participants for each tournament.

Each tournament places limits on the number of clubs that can play. Superintendents in our region will be receiving more information.

*The superintendent must be a member of the National GCSAA in order to advance to the national event, but nonmembership does not prohibit participation in the regional tournaments.

NEW MEMBERS

The MAAGCS welcomes the following new members:

CRENSHAW

Creeping Bentgrass

"This bentgrass provides the truest, smoothest putting surface available."

Don Crenshaw

- Excellent heat resistance
- Dense, upright growth
- Produces less grain
- Bright, attractive green color

Developed and released by Texas A&M University with support from the USGA and Bentgrass Research, Inc.
