If You Have Further Questions about the Turf Field Day

**Helping You Put
Quality Into Play**

Since 1922, **The Toro Company** has been innovating ways to help solve your turf problems. Today, even some of those innovations are getting better.

Toro Hydroject™

Revolutionary greens aerator with *new Injection System* for subsurface application of wetting agents and liquid nutrients.

Toro Motorola OSMAC®

America's Number 1 golf irrigation system with *new Windows®-based software* for even easier operator control.

Toro Workman™ 3000

The new standard in utility vehicles with *12 new attachments* for greater versatility and value.
