

MAAGCS Golf Notes

The golf season is moving right along and so far the weather has been sensational. Our June 9th meeting at Rehoboth Beach Country Club featured our Two Man Championship. Host superintendent Ed Brown, assistant Tony Lorenz, and their staff had the golf course in great shape. Thanks to head golf professional Ron Barrows and his staff for all their help.

In case you didn't hear about it, special congratulations to Ed Brown for shooting a mind-boggling six under par 65—that's for 18 holes. Ed's round, which surely must be the best in MAAGCS history, included an eagle, eight birdies, and two double bogeys, including one on the last hole. Despite Ed's great round, partner Dean Graves was able to help three shots, giving the team a gross score of 62! A copy of Ed's scorecard is shown below; I trust the original scorecard is suitably framed and hanging on Ed's office wall.

The golf event for the July 15th meeting at Kenwood Country Club was the Superintendent/Club Official Tournament. We had 52 players for golf, however, only nine superintendents brought club officials. The disappointing showing can be traced to a lack of pre-tournament publicity, and to a lesser degree, the time of year. The addition of Charlotte Norris will be a big help in drumming up participation for the tournament next year. I will look seriously at moving the event to a different time of the year.

Kudos to Andy Sheehan, CGCS and his staff for the great condition of the golf course during a very stressful stretch of weather. Thanks also, to head golf professional Rod Thompson and his staff for all of their help.
