President's Message

the process of hiring a part time media consultant. The idea is to work with an experienced media individual who can assist us in getting our story and ultimately our image in front of the general public. There are many other issues we are addressing but, suffice it to say many of these issues will have to be adopted by future Boards. Yes, this is an ambitious plan but I believe it can be done. It is my hope that you will notice our efforts and I encourage you to contact me or any board member with your thoughts, suggestions or even criticisms if we don't follow through on our goals.

I believe we have an exciting 1999 meeting schedule planned with a dynamic educational program. I hope to see everyone at the meetings this year and let's try to get our Assistants involved.
