PRESIDENT'S MESSAGE

The attendance at the University Turf Field Day/ MAAGCS Picnic and the Stewards of the Chesapeake tournament at Bretton Woods was outstanding. It was great to see the support of our members at the last two MAAGCS events and if you weren't able to attend either of these events you definitely missed out on some great education, outstanding food, networking and of course golf. I cannot thank Steve Potter, Dr. Dernoden and all of the supporters enough, for the time and effort that they have given for the continued success of the Turf Field Day.

For those of you who missed the Stewards of the Chesapeake, it was definitely your loss. Bretton Woods was the perfect venue for this event and Mr. Bupp and the entire staff showcased their club and the golf course to perfection. To start out, the weather was absolutely perfect, and everything that followed; from the food, to the service and tournament organization was exceptional.

If anyone is now wishing that they would have attended, they will be after they hear that the most impressive part of the day was the outstanding course conditioning. The greens were rolling at least 11 and the bermudagrass fairways were spotless; almost perfection from tee to green. The course renovations, the fairway conversion to bermudagrass and the acres of naturalized areas represent that Bryan and Bretton Woods are "Stewards" of our industry. Thank you Bryan, and thank you Bretton Woods.

As always, these events are made possible by the support of our vendors and company representatives. Thanks to all who contributed to making this event a great success!!!

As a reminder, our upcoming events are the Annual Championship on Monday, October 20th at Country Club of Maryland, Bill Augustin, host superintendent and on Monday, November 3rd, a joint meeting with the Greater Washington Golf Course Superintendent's Association at Robert Trent Jones, host superintendent, Scott Furlong.

MAAGCS President

Mark Kingora
