

On November 4, 2008, the Mid-Atlantic Association of GCS and the Greater Washington Association of GCS joined together for a rare opportunity to play the esteemed Robert Trent Jones GC. There were more than 100 in attendance for this event. Not only was it a day of incredible golf, the food was wonderful, and the day was finished up with Dr. Askew of Virginia Tech speaking on "New Weed Management Options for the Golf Course".

Thanks to Glenn Smickly, CGCS, Scott Furlong, CGCS, assistants Scott Cornwell, David McGregor and Scott Thomas and the entire staff for hosting this event.

Thanks to Jeff VanFleet for coordinating the education for this day. Also, thanks to the board and membership of Greater Washington for helping make this day a huge success.

Below are the results of golf for that day.
