HOST JOHN DENHOLM

The 12th Annual Stewards of the Chesapeake was held August 6, 2011, at Sparrows Point Country Club, Essex, MD. As in year's past, our title sponsors were Mr. Rick Fritz with Bayer, Mr. Ted Huhn with BASF and Mr. Sam Camuso with Syngenta. The weather was perfect for this event. Mr. John Denholm and his staff had the course in great condition. This is the second Stewards of the Chesapeake Tournament held at Sparrows Point Country Club, the first being held there in 2005. Special thanks go out to our allied association, Eastern Shore Association of Golf Course Superintendents for coming out and supporting us that day. Our Sponsors were:

This funding is used to support local research projects, environmental efforts and government relations as they pertain to the golf industry. 78 golfers played in this tournament. The first net winner was the team from Leisure World consisting of Scott Wager, Bill Shirk, Josh Johnson and Jim Johnson. The first gross winners were Scott Wunder, Adam Fouse, Bill Horrman and Roland Nickoles from Piney Branch Golf Club.
