

Intrinsic™

“Go ahead. Aerate my grass.”

InsigniaSC
Intrinsic brand fungicide

“Yeah, mechanical stresses like aeration hurt. But not for long. Research shows that **Insignia® SC Intrinsic™ brand fungicide** has disease control and plant health benefits that give me a better root system and close up those little holes faster. And I can handle stresses like drought and moisture events and extreme temperatures—better than ever.”

Intrinsic brand fungicides don't just fight disease; they give turf the resilience to endure stress. Find out more by contacting Ted Huhn at theodore.huhn@basf.com, 443-206-1095.
