INDEX - 3

Energy Crisis

- Costs 41-46
- Fuel 41-46
- Golf Course Implications 41-46
- Sod Industry 94-95
- Summary 46

Engines, Small

- Four-cycle 53-58
- Fuel 53-54
- Maintenance 53-58
- Oil 55-56
- Spark Plugs 54
- Two-cycle 53-58

Fertilizers

- Ammonium Nitrate 20-23
- Ammonium Sulphate 20-23
- Effects on Pests 75-77
- IBDU 20, 22, 23
- Milorganite 20, 22, 23
- Nitrogen Carriers 20-22
- Potassium Responses 20-21
- Scott's 20-22
- Trees 33-34, 96
- UREA 20, 23
- UREA formaldehyde 20, 22-23

Fescue, Creeping Red

- Breeding 8
- Cutting Height 69
- Shade Study 84-87
- Varietal Evaluations 9
- Varieties in Pacific Northwest 90-91

Fumigants

- Dazamet 72
- Methan 72
- Methyl Bromide 72
- Methylisothiocyanate 72

Fungicides

- Actidione RZ 36
- Actidione + Thiram + Chloroneb 11-14, 15, 36
- Bay Experimental 11-15, 19
- Benlate 27-32
- Bravo 11-14
- Bromosan 11-14, 16, 19
- Cad Trete 19
- Calo-clor 37
- Cleary's Experimentals 11-14, 16, 19
- Cleary's 3336 11-16

INDEX - 4
