

## TABLE OF CONTENTS

### MSU RESEARCH REPORTS

Program Update .....	1
John Rogers III, John C. Sorochan, James R. Crum, and John C. Stier	
Hey! It Might Be Nematodes .....	11
Fred Warner, J.F. Davenport and G.W. Bird	
Turfgrass Soil Management Research & Other Soils Stuff .....	17
Paul Rieke, T. A. Nikolai, M.A. Smucker, P. Grow, and D.M. Roth	
Perennial Report to the Michigan Turfgrass Conference .....	27
David M. Gilstrap	
Mosquito Control .....	29
Edward D. Walker	
Characterizing Soil Stability in High Sand Content Soils and Mixtures .....	33
James R. Crum	
The Last Annual Turfgrass Management and Weed Control Update .....	37
Bruce Branham, R.N. Calhoun, S.E. Warnke, and M.W. Collins	
Biological Control of Ataenius and Aphodius on Golf Courses .....	45
David R. Smitley	
1995 Legislative Update .....	53
Gregory T. Lyman	

### JACK FROST SESSION

Keys to the Establishment of Trees in the Landscape .....	55
Larry Kuhns	

### FIRST TEE TIME SESSION

Spikeless Shoes .....	59
Tom Walker	
Research, Check it out for Yourself .....	61
David Stone	
Linking Up With Nature .....	63
Kimberly S. Erusha	
Biological Control of Dollar Spot: A New Approach .....	65
J.F. Powell, N.M. Dykema, A.R. Detweiler, and J.M. Vargas, Jr.	

### GENERAL SESSION

Irrigation Scheduling for Turf Sites .....	69
Clark Throssell	
Composting and Other Organic Waste Strategies .....	73
Roch E. Gaussoin	
Tissue Testing: A Tool for Turf Fertilization .....	75
James A. Murphy	
Turfgrass Disease Management Report 1994-95 .....	79
J.M. Vargas, R. Detweiler, N. Dykema, P. Le Cureux, J. Borgman	

### GOLF

The Superintendent's Role in Marking the Golf Course .....	109
Brett Marshall	
Update on Management of Summer Decline of Bentgrass .....	111
Leon T. Lucas	
Effective Time Management Strategies .....	113
Bruce Williams	

A Check-up with the USGA .....	115
Kimberly S. Erusha	
The Hydroject: Not Just an Aerifier .....	119
D. E. Karcher, T.A. Nikolai and P.E. Rieke	

## **LAWN CARE AND GROUNDS**

1995 Turfgrass Insect Activity Update and Grub Sampling for Residential Lawns .....	123
Julie Stachecki	
Selection of Turfgrass Species and Varieties .....	125
James A. Murphy	
Tank Mix Additives .....	131
Clark Throssell	
Using PGR's in the Landscape .....	133
Bruce E. Branham	
Moss and Algae Management Practices on Michigan Golf Courses .....	135
David M. Gilstrap	
Cultrivar and Seeding Rate Effects and Disease Incidence of Creeping Bentgrass .....	137
Frank Rossi, Steve Millett , and Emily Buelow	

## **GROUNDS AND LAWN CARE**

The Effects of Mulching Tree Leaves in Kentucky Bluegrass .....	147
T.A. Nikolai, P.E. Rieke, B.E. Branham, R.N. Calhoun, D.M. Roth and P. Grow	
Economic Impacts of Chemical Deicers .....	159
Mark Cornwell	
Growing Degree Days and Dandelion Control .....	163
Darrick L. Robbins	
"I Don't Care if it is Harmless, You Get It Out Of The Building!": Indoor Insect Pest Management .....	165
Tom Ellis	
An LCAT Intern's Experience .....	167
David Gilstrap and Todd Rowley	

## **SECOND TEE TIME SESSION**

The Summer of 1995; Caught in The Turfgrass Technology Trap .....	169
Frank Rossi	
This Bent's For You Understanding Bentgrass Performance .....	173
Frank Rossi	
Trends in Golf Course Irrigation Design .....	177
Carol Colein	
Drainage, Drainage, Drainage .....	181
Paul E. Rieke and Rafael Carrascosa-Gonzalez	
Ataenius and Aphodius Survey, Fall, 1995 .....	187
Nikki Rothwell	

## **GOLF**

Plant Growth Regulator Use on Creeping Bentgrass Fairways .....	189
Ronald N. Calhoun and Bruce E. Branham	
The 1995 Year in Review .....	191
Robert Vavrek	
Observations of the Bentgrass Test Plots at the Honors Course .....	193
David Stone	
Resurfacing Bentgrass Greens .....	201
Tom Walker	

Bentgrass Evaluations at the Hancock Turfgrass Research Center .....	205
Scott Warnke	
A Non-Traditional Approach to Dollar Spot Management .....	209
N.M. Dykema, J.M. Vargas Jr., A.R. Detweiler	
Experimental Fungicides for the control of Annual Bluegrass .....	211
Brandon J. Horvath and Joseph M. Vargas, Jr.	

**ATHLETIC FIELDS MANAGEMENT**

Athletic Field Maintenance - the Only Course of it's Kind .....	213
David M. Gilstrap	
Is there Poa Supina in your field's future? .....	215
John C. Stier and John N. Rogers, III	
Keeping It Simple: The University of Michigan Soccer Field .....	217
Jim Roland	
Low Maintenance (not no maintenance) Managing Your Field in the Off Season .....	219
John C. Sorochan and John N. Rogers III	
Natural Grass Fields: Purdue Perspective .....	223
Clark Throssell	
Sports Turf Research: A Futuristic and Realistic Look .....	225
John N. Rogers III	

**LAWN CARE AND GROUNDS**

Developing a Turfgrass Nitrogen Fertility Program .....	231
Roch E. Gaussoin	
Client Exposure to Lawn Applied Pesticides .....	235
Gregory T. Lyman	

Appendix A .....	A1
