

## Michigan Greenkeepers Meet

THE Michigan and Border Cities Greenkeepers Association held their annual dinner and election of officers recently at Hotel Fort Shelby, Detroit.

President Herbert E. Shave presided and after a very nice dinner many interesting discussions took place, among them being the reading of letters concerning the cooperation of the Agricultural Department of Michigan State college with greenkeepers of the state. This cooperation concerns advice on soils, landscaping and other subjects of interest.

It was decided to invite one of the professors to give a talk on the matter at one of the first outdoor meetings.

The election of officers resulted as follows: Herbert E. Shave, Oakland Hills, reelected president; Wm. Beaupre, Lochmoor Club, elected vice-president; Wm. Smith, Red Run, reelected secretary-treasurer; John Gray, Essex Golf and Country Club, elected director for two years; Fred Sherwood, Birmingham, elected director for two years; Cyril Hayman, C. C. of Detroit, elected director for one year.

## GOLF NEWS

The Service club and the Kiwanis club of Crawfordsville (Ind.) have taken out incorporation papers and will build a nine-hole public course on land east of town which has been leased from Wabash College. William H. Diddle, of Indianapolis, is the architect.
