Horner Specialties

R. S. Horner, Geneva, Ohio, manufacturer of R. H. golf equipment has issued some interesting

A Turf Fertilizer—PLUS

Driconure, the all-organic fertilizer contains the three main food elements—nitrogen, phosphoric acid, and potash—plus a liberal quantity of the well known soil builder, G P M Peat Moss.

Being in finely granulated form, it gets right down to the grass roots and *builds up* the soil for future use, in addition to stimulating for immediate growth. It is the best all around turf builder for long-lasting results.

Get to the root of your turf trouble by letting Driconure get to the roots of your turf. Literature—or if possible, a turf expert will be sent on request.
