

the spring or fall but we had to use more this year than we ever did before; the season was harder as you know.

4.—Well I cannot answer that question; it may on some greens while on others it does not. Our Number 11 green has had the same treatment as the others and we have had no brown patch on it

since it was built four years ago. We have never paid a dime treating it while the others have cost plenty every year.

5.—Well as to that I cannot say for our greens have not a tile in any of them at present but we will tile this fall and winter. I know they need air.
