## "The Toro Master Seven mows our 18 holes in 6½ hours"

MR. GRANGER'S report is typical of the many received from users of this "new-standard-of-performance" Toro mowing equipment. The past season has proved beyond question the amazing efficiency, speed and economy of the new Toro Master Mowing Outfits.

If you are faced with demands for lower maintenance costs, if you are not satisfied with results you are getting from your present equipment, then it will pay you to investigate the Toro line now, and get the facts and figures ready for the next meeting of your Board or Committee.

chines, piloted the N. A. G. A. directors to the various courses. But due to rain on both days, they found it impossible to visit all the courses in the district as they had planned. However, they were successful in their plan for a joint get-together meeting of the Cleveland District Greenkeepers and the Executive Board. It proved to be a supper meeting, as it was held after the Monday evening business session. This generosity and thoughtfulness of the Cleveland greenkeepers was sincerely appreciated.
