## HOSELESS SYSTEM BUCKNER GOLF KING SPRINKLER

CASTLEWOOD COUNTRY CLUB

PLEASANTON, CALIFORNIA

*The 18-Hole Course of the Castlewood Country Club with its Hoseless Irrigating System and Golf King Sprinklers*

**T**HIS PHOTOGRAPH of the HOSELESS SYSTEM on one of California's most up-to-date golf courses, is indicative of what can be accomplished with BUCKNER equipment. This course is only one of a great many up-to-the-minute courses on the Pacific Coast having all turf and complete hoseless irrigation.

With the BUCKNER GOLF KING SPRINKLERS AND QUICK HOSELESS COUPLINGS a club can save more money in upkeep than from any other economy. We have engineering representatives who will be glad to submit figures on complete installations. Write us for literature.

ONE NATIONALLY KNOWN ARCHITECT WRITES:
