## Super Roller Greens Mower now has eight blades

The PENNSYLVANIA Super Roller Greens Mower is now equipped with eight blades. Light in weight and easy to operate, it crops the turf close in a true and ribless swath. Internationally famous for its precision.

### Unbreakable gang units with 36-inch cut

The units of PENNSYLVANIA Fairway Mowers may be had in either 36-inch or 30-inch cut, the larger size being more economical as they do more work per dollar invested. They come in gangs of 3, 5, 7 or 9 and all units are of malleable iron and steel construction and positively unbreakable.

## Your Labor and Water Bills

**T**HE GOLFER has a right to good turf. But you must maintain that desirable green fairway within a limited budget. With a Buckner Sprinkler System and one-man control you can slash your present costs for labor, water, and irrigation equipment. Your fresh fairways will attract new players by their contrast to the fading late-summer landscape. Let us explain the many individual features of Buckner Systems and their sound economy basis. *Write for our catalog and full information.*

## ONE-MAN SPRINKLER SYSTEMS

**T**HE experience of more than 1300 golf courses puts that notation on your memo pad.

Expressed more fully it says, "Buy only pure, weed-free grass seed and the way to make sure is to buy Scott's."

Fall planting produces the hardest turf and prices now are lower than in years.
