

# RAINCOVER<sup>Plus</sup><sup>TM</sup>

LEADING THE WAY IN SPORTS FIELD COVER TECHNOLOGY ...

**Raincover<sup>Plus</sup><sup>TM</sup>** is the ultimate infield protection cover. Developed by Covermaster's technical research, test results\* show that its special color combination reduces potential heat build up under the cover better than any other cover. It's also stronger, lightweight and easy to handle.

Call us for a sample and full details of the latest in raincover technology.

\* Available upon request.
