ONE BAD BOUNCE CAN
CHANGE
THE COURSE
OF THE GAME

No doubt about it, your work affects the game. So when productivity is compromised by equipment that can't stand up to dusty infields, it's never good. Toro designed the new Infield Pro[®] 5020 with that in mind. It's the only groomer with a completely sealed double-filtration system. The engine stays grime-free, so you can focus on the details of playability instead of breakdowns. See the new Infield Pro 5020 and other Infield Pro models, with their huge line of attachments, at www.toro.com/grounds/sports or contact your Toro Distributor at 1-800-803-8676.
