

# Growing into the New Millennium

## What's in Store For You!?!?

**A**s we rapidly approach the new millennium, I'm sure we are all plagued by numerous questions - from others as well as those we ask ourselves. STMA's 1999 Conference & Exhibition in Mesa, Arizona, January 13-17, will help you to prepare for the challenges ahead as you "grow" your sports turf management program, your relationships with your employees, co-workers, supervisors and peers -- and as you move forward in your own career growth.

Mesa is one of the cities in the greater Phoenix area, just a short distance from the Phoenix airport -- and in the heart of the Arizona sports mecca -- so the Seminar on Wheels tours will be GREAT!

Our headquarters hotel is the Sheraton Mesa. The trade show will be held indoors at the

Mesa Community Center, right next door to the headquarters hotel. You'll have ample time to view the exhibits and, again this year, a reception and a luncheon in the trade show area will give you some informal time to get to know the vendors.

By popular demand, Products on Parade, a show and tell" session by vendors will be included in the Friday program. It will take place in the outdoor amphitheater next to the hotel and Community Center.

Along with our general and triple choice concurrent sessions, the 1999 Conference will feature extended and expanded Round-Table discussions.

So -- Make your plans NOW to get in on the education -- and the FUN in store for you in Mesa as we Grow Into the New Millennium! STM
