It could have gone the way of the leisure suit. Lawn darts. Starsky and Hutch. But 27 years after its introduction as the Groundsmaster 72, the Groundsmaster 300 is still setting industry trends. Today's Groundsmaster is the product of thousands of comments and suggestions, decades of testing, and one very simple goal: to help our customers be more productive. From time-tested durability to our exclusive Recycler® decks, there are plenty of reasons why the Groundsmaster 300 line is still the most popular in the industry. Visit www.toro.com, call 1-800-803-8676, or cruise your Pinto over to your local Toro distributor for a demo.
