Infield raincovers can now be installed in a minimum of time.

Even a full size fieldcover for football or soccer is easier to handle.

Field Protection Made Easy..

with the **FIELDCOVER SYSTEM** by **COVERMASTER®**

You're always ahead of the game with the Fieldcover System by COVERMASTER®.

Thanks to this easy-to-use equipment, installation, removal and storage of a fieldcover can be quick and simple.

First, there's **TARPMATE™**, a strong and light-weight plastic roller available in any length and supplied with safety end caps.

COVERMASTER™
COVERMASTER
COVERMASTER

MASTERS IN THE ART OF SPORTS SURFACE COVERS

Then comes **TARP MACHINE™**. Attached to the P.T.O. on your tractor, this clever handling tool makes light of rolling the cover on and off the field.

Finally, with our wide choice of cover materials, COVERMASTER® will custom design a cover in the size, weight and configuration that meet your specific needs.

The **COVERMASTER® FIELDCOVER SYSTEM**. You could say we have you covered. Call us today and see.
