Christopher Mark,  
Superintendent,  
Grounds and Vehicles,  
University of Guelph

Dear Chris:

I would like to thank you for the opportunity of speaking to your group. The Association is remarkable in their interest and knowledge. I was surprised and pleased to be asked substantive questions; this happens all too rarely, as many groups seem to be shy in questioning a speaker.

I hope to return to the area, and spend some time at Guelph; it has been a Mecca for sports turf long before the States was doing much in that regard.

Thank you again.

Very truly yours,

Judith Ferguson Gockel  
President, Agri-Systems of Texas, Inc.

Attention: Mr. Michael Bladon

I thought I would take the liberty to enclose a list of publications that are produced by Cushman Manufacturing:
