

20th ANNUAL STA FIELD DAY

September 13, Dundas, Ontario

The list of 'greats' arising from our 20th Annual Field Day at the Westoby Ice Surface/Olympic Sports Park is extensive: great host, great venue, great speakers, great sponsors and exhibitors, great food, great people and last but not least, great weather! All in all, the event was another huge success and we thank everyone who participated in this educational and networking opportunity. Thank you, as well, to all who completed the event evaluation form. We value your comments (criticisms or kudos!) to ensure our continued improvement. Your input is vital to the delivery of services which benefit you, the member. See you next year!
