We've Gone 21st Century in Our 20th Year! Membership Roster Online.

AS PART OF OUR 20th anniversary tune-up, the STA website is being revised and updated. You won't notice much of a change in our look however; the real improvement is in the approach, not the appearance. We've moved to a Content Management System which provides for easier design and maintenance, more frequent updates, and greater functionality.

In our first phase we introduced a 'Members Only' section. Until this year, the STA Membership Roster was brought up-to-to date by means of annual printed inserts. This has been replaced by a web-based version. The little green binder is now obsolete. The new adaptation offers personal updating, instant retrieval and information that is always current. If electronic isn't your preference, the roster is still available in the form of a print document, upon request. Follow the instructions emailed to you and register online today!

Above: The little green binder was first introduced to STA members in 1995.

WELCOME TO THE STA!
