STA Scholarship Nov. 1 Deadline

THE STA ESTABLISHED a Scholarship Program in 1993 and has since awarded 26 scholarships. In the past, we provided scholarships in two specific programs of study: the University of Guelph's Turf Managers' Short Course and the Ontario Diploma in Horticulture. To continue to encourage, support and provide leadership to those considering a career in the sports turf industry, the STA restructured its Scholarship Program in 2006, expanding it to include additional programs of study. The Robert W. Sheard Scholarship in the amount of \$1,000 may be awarded annually.

The Scholarship Program is funded through STA membership fees. The award is intended to assist students with the cost of tuition, books and related expenses.

For those currently furthering their education, we encourage you to apply. More information and applications can be found online or obtained from the STA office.
