Supporting Sports Turf Managers... be they new or tried and true!

The Sports Turf Association is dedicated to the promotion of better, safer sports turf through innovation, education and professional programs. In order to further this goal and to encourage, support and provide leadership to those considering a career in the sports turf industry, the STA established a scholarship program in 1993 and has since awarded 30 scholarships.

The STA Scholarship was renamed the STA Robert W. Sheard Scholarship in 2007 in recognition of Dr. Sheard’s immeasurable contribution and support provided to the association over two decades.

Visit the STA website for Scholarship Policies, Application Requirements, and the Application Form. Deadline for applications is May 1.
