## Publications & Videos

### Turf Videos

A new video, *Spraying Turf Pests*, has answers that will help you to make better decisions about protecting turfgrasses from insects and diseases.

Available from the University of Guelph, this 35 minute video is for parks staff, sports turf personnel, golf superintendents and residential turf care specialists—anyone who maintains quality turf. Order by calling 1 (800) 263-4499 or (519)767-5050.

Note: A second tape entitled *Mower Choices for Top Grade Turf* is also available.

### Pesticide Container Recycling

Turf Managers with web access can get a list of dealers who will accept empty pesticide containers for recycling. The list can be found at the Agcare website: <http://www.agcare.org>.

## News Release

### Awards and Scholarships

The Ontario Horticultural College at the University of Guelph held the 35th annual convocation for its Independent Study program in June. The Sports Turf Association scholarship awarded for highest marks achieved in Turf Management was won by Ken McLeod of Hinton, Alberta. This is the first year your Association has given this award.
