

When the job is measured in miles and acres
you need an office that's measured in
payload and horsepower.

Presenting the Toro Workman® 1100 and 2100 utility vehicles. They let you haul up to 1650 pounds under the power of either a twin-cylinder 16 hp or a single-cylinder 12 hp engine. And their get-the-job-done features don't end there. There's a double-walled cargo box with compartments you can customize, an optional ballfield grooming attachment and Active In-Frame™ suspension so you can float over curbs and bumps. All of which means you can sum up these machines with just two words: Can do. To learn more, call your Turf Care Representative at 905-836-0988 or visit www.turfcare.ca.

Contact your Turf Care sales representative today for a no-cost, no-obligation demo at your convenience.
