

1992 Subject index

Editor's Note: As a service to our readers, Turf Grass Trends is including this cumulative subject index for 1992.

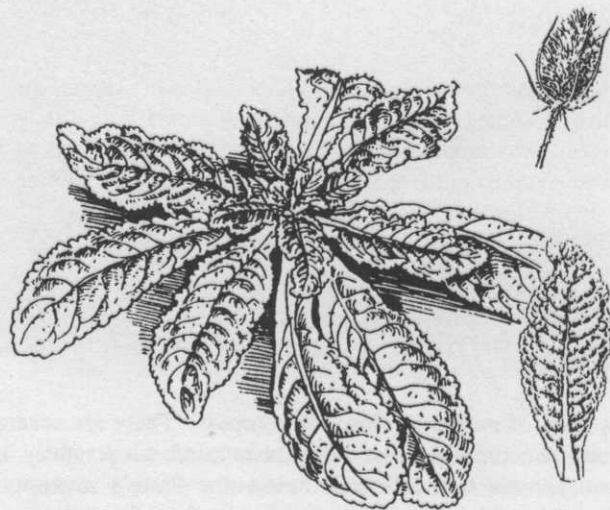

A

Able 1 Kentucky bluegrass, June 1992: 5
acidic soil, Nov/Dec 1992: 1, Nov/Dec 1992: 5
actinomycetes, defined, Nov/Dec 1992: 10
Acyalanines, systemic fungicide, Premier 1992: 5
Adelphi Kentucky bluegrass, June 1992: 5
aerification, defined, June 1992: 8
aggregation
 defined, Nov/Dec 1992: 10
 process, Nov/Dec 1992: 6
Agriculture, U.S. Dept. of,
 Beltsville Agricultural Research Center and NTEP, Sept/Oct 1992: 1
Alette™ systemic fungicide
 for Pythium Blight, August 1992: 11
 for Pythium root rot,, Premier 1992: 3, Premier 1992: 4
 for turfgrass disease control, Premier 1992: 5
alkaline materials, defined, Nov/Dec 1992: 10
alkaline soil, Nov/Dec 1992: 1, Nov/Dec 1992: 5
America Kentucky bluegrass, June 1992: 5
ammonia volatilization, Premier 1992: 9
Anilazine contact fungicide, Premier 1992: 5
anion, defined, Nov/Dec 1992: 10
annual bluegrass diseases of, June 1992: 1
Aqua Mulcher, Premier 1992: 16
AquaGro S soil wetting agent, Premier 1992: 16
Aqua-Tel sensor, July 1992: 11
asymptomatic, defined, June 1992: 8

B

Banff Kentucky bluegrass, June 1992: 5
Banner™ systemic fungicide, Premier 1992: 5, June 1992: 3
Banol™ systemic fungicide
 for Pythium Blight, August 1992: 11
 for Pythium root rot,, Premier 1992: 3, Premier 1992: 4
 for turfgrass disease control, Premier 1992: 5
Baron Kentucky bluegrass, June 1992: 5
Bayleton™ systemic fungicide
 for Summer Patch, June 1992: 3
 tumors in laboratory mice, August 1992: 11
 for turfgrass disease control,, Premier 1992: 5
Beltsville Agricultural Research Center and NTEP, Sept/Oct 1992: 1
Bendiocarb restricted-use pesticide, July 1992: 5
Benomyl systemic fungicide
 for Summer Patch, June 1992: 3
 for turfgrass disease control, Premier 1992: 5
bentgrass
 and Curvularia Blight, August 1992: 4
 and evaluation programs, Sept/Oct 1992: 1
 and *Rhizoctonia zeae* pathogen, August 1992: 2
bentgrass/annual bluegrass putting greens, Premier 1992: 1
Benzimidazoles, systemic fungicide, Premier 1992: 5
bermudagrass, and billbugs, July 1992: 10
billbugs
 and bluegrass, July 1992: 10

and fine fescues, July 1992: 10
New Jersey study on feeding habits, July 1992: 6
species in New Jersey, July 1992: 10
study in eastern Nebraska, July 1992: 10
biological pest control, Premier 1992: 13
biomass, defined, June 1992: 8
bio-pesticides, Sept/Oct 1992: 11
Bipolaris spore, August 1992: 3
bluegrass (*Poa annua* and *P. pratensis*), Premier 1992: 1
Boron (B)
 available forms and ion charges, Nov/Dec 1992: 1
 and soil pH, Nov/Dec 1992: 4
Bristol Kentucky bluegrass, June 1992: 5
Brown Patch
 causes, August 1992: 1—3
 and excessive rates of nitrogen, August 1992: 2
 and fungicides, August 1992: 2—3
 and management practices, August 1992: 2
Brown Patch Pythium Blight, Premier 1992: 7
buffer pH, Nov/Dec 1992: 6
 defined, Nov/Dec 1992: 7, Nov/Dec 1992: 10. *See also* soil,
 pH conditions
buying decisions, grass seed, Sept/Oct 1992: 1, Sept/Oct 1992: 3, Sept/Oct 1992: 6

Teasel

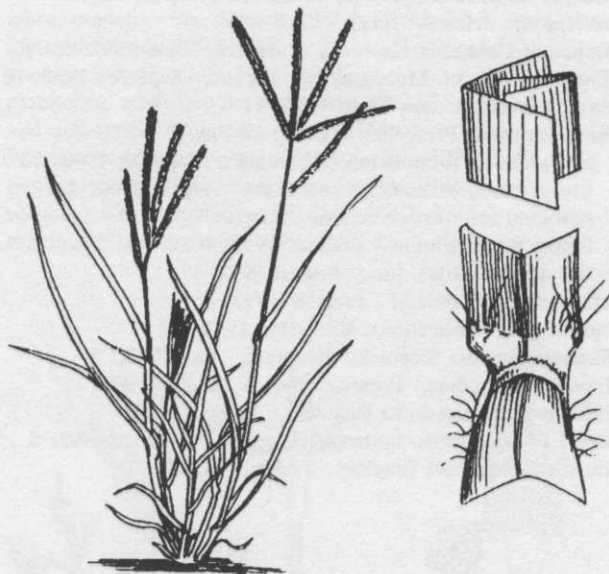

C

calcareous materials, defined, Nov/Dec 1992: 10
calcitic limestone, Nov/Dec 1992: 8
Calcium (Ca)
 available forms and ion charges, Nov/Dec 1992: 1
 deficiency and Pythium (cottony) Blight, August 1992: 6
 and Percent (%) Base Saturation (P.B.S.), Nov/Dec 1992: 8
 and soil pH, Nov/Dec 1992: 4, Nov/Dec 1992: 7
California
 ruling on Material Safety Data Sheets (MSDS), July 1992: 9
 theft of pesticide, Sept/Oct 1992: 11
Canadian study on balanced fertilizers, Sept/Oct 1992: 11
Carbamates, systemic fungicide, Premier 1992: 5

1992 Subject Index

Carbaryl insecticide, July 1992: 5
 Carbon (C), in soil, Nov/Dec 1992: 1
 carbonic acid, Nov/Dec 1992: 5
 carcinogens, and pesticide products, August 1992: 11
 cation, defined, Nov/Dec 1992: 10
 Cation exchange capacity (C.E.C.)
 defined, Nov/Dec 1992: 10, Nov/Dec 1992: 11
 in soil sampling, Nov/Dec 1992: 2
 in soil test report, Nov/Dec 1992: 7
 Challenger Kentucky bluegrass, June 1992: 5
 checklist, hazardous waste water, July 1992: 8
 Chemical Manufacturers Association
 standards for Material Safety Data Sheets (MSDS), July 1992: 9
 chinchbugs
 and fine fescues, July 1992: 10
 reducing with dethatching, July 1992: 10
 Chipco 26019™ systemic fungicide, Premier 1992: 5
 chlordane
 defined, July 1992: 7
 for grub control, July 1992: 4
 Chlorine (Cl), available forms and ion charges, Nov/Dec 1992: 1
 Chloroneb fungicide, Premier 1992: 4, August 1992: 11
 Chlorothalonil contact fungicide, Premier 1992: 5, June 1992: 7
 Chlorphryfos insecticide, July 1992: 5
 classic disease infection triangle, Premier 1992: 6
 clay loam, Nov/Dec 1992: 11
 Clean Water Act, Premier 1992: 11
 Cleary 3336™ systemic fungicide, Premier 1992: 5
Cochliobolus sativus (= *Bipolaris sorokiniana*)
 control strategies, August 1992: 4
 factors, August 1992: 3
 and Kentucky bluegrass, August 1992: 3
 and ryegrass, August 1992: 3
 symptoms, August 1992: 3
 Columbia Kentucky bluegrass, June 1992: 5
 compaction. *See also* soil, compaction
 defined, June 1992: 8
 Patch disease co-factor, Premier 1992: 8
 compost-amended topdressings, August 1992: 2
 conidia
 and *Cochliobolus sativus*, August 1992: 3
 and *Curvularia* Blight, August 1992: 4
 defined, June 1992: 8
 Connecticut survey of natural predators, July 1992: 5
 contact fungicides,, Premier 1992: 4—5
 Control™ fungicide, Premier 1992: 4
 Copper (Cu)
 available forms and ion charges, Nov/Dec 1992: 1
 and soil pH, Nov/Dec 1992: 4
 Core Sample Observation Form, soil, Nov/Dec 1992: 9
 cottony blight. *See* Pythium (cottony) Blight
 crown infections, August 1992: 6
 crown rot
 damage, Premier 1992: 1—2
 defined, Premier 1992: 4
 infections, June 1992: 1
Curvularia Blight
 biology and symptoms, August 1992: 4
 causes, August 1992: 4
 control strategies, August 1992: 4—5

symptoms, August 1992: 4
Curvularia geniculata, August 1992: 4
Curvularia inaequalis, August 1992: 4
Curvularia intermedia, August 1992: 4
Curvularia lunata, August 1992: 4
Curvularia protuberata, August 1992: 4
Curvularia spore, August 1992: 4
Curvularia trivoli, August 1992: 4

Goosegrass, silver crabgrass

D

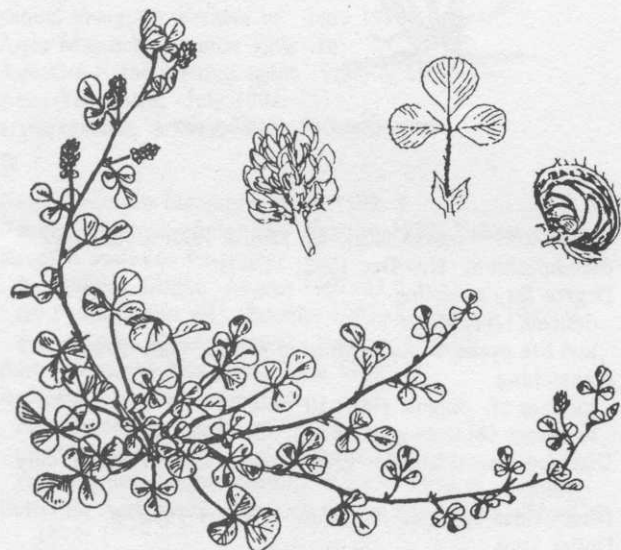

Daconil 2787™ contact fungicide, Premier 1992: 5, June 1992: 7
 decomposition, Nov/Dec 1992: 11—12
 Degree Day modeling
 defined, July 1992: 7
 and life cycles of turf-damaging insects, July 1992: 6—7
 dethatching
 expense of, August 1992: 10
 to reduce chinchbug problems, July 1992: 10
 Diazinon insecticide, for grub control, July 1992: 4, July 1992: 6—7
 Dicaboxides systemic fungicide, Premier 1992: 5
 Dollar Spot
 infection and symptom relationships, Premier 1992: 7
 patches, Premier 1992: 2
 ratings of Kentucky bluegrass cultivars, Sept/Oct 1992: 6
 dormancy, defined, Premier 1992: 4
 drift control agents, Premier 1992: 13
 drought stress
 contributing conditions, August 1992: 7, August 1992: 8, August 1992: 9
 control strategies, August 1992: 10
 identification form, August 1992: 9
 and management practices, August 1992: 7
 materials to reduce water needs, August 1992: 7
 and soil environment, August 1992: 7

1992 Subject Index

dry encapsulation, Premier 1992: 13
Dylox insecticide
 for grub control, July 1992: 4—5, July 1992: 6—7
 tumors in laboratory mice, August 1992: 11
Dyrene™ contact fungicide, Premier 1992: 5

E

earthworms
 effect of pesticides on, July 1992: 10
 and thatch layer samples, July 1992: 10
Eclipse Columbia Kentucky bluegrass, June 1992: 5
endophyte, defined, July 1992: 7
Enmundi Columbia Kentucky bluegrass, June 1992: 5
Entotech, Inc. vs. Mycogen, Inc. lawsuit, Sept/Oct 1992: 10
environmental issues, July 1992: 11
Environmental Protection Agency (E.P.A.)
 and granular formulation of Triumph, Sept/Oct 1992: 10
 investigation of granular pesticides, August 1992: 11
 pesticide information hotline, August 1992: 11
 Storm Water Hotline, Premier 1992: 11
 suit against Miles, Inc., August 1992: 11
epidemiology, defined, Premier 1992: 4
epsom salts applications, Nov/Dec 1992: 8
Estate Columbia Kentucky bluegrass, June 1992: 5
Ethazole fungicide, Premier 1992: 4, August 1992: 11
Ethoprop restricted-use pesticide, July 1992: 5
Ethyl Phosphonates, systemic fungicide, Premier 1992: 5
Etridiazole contact fungicide, Premier 1992: 5

Black medic

F

Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA)
 support of posting, July 1992: 9
Fenarimol systemic fungicide
 for Summer Patch, June 1992: 3
 for turfgrass disease control, Premier 1992: 5
fertilizer, Premier 1992: 9
 Canadian study, Sept/Oct 1992: 11
 improving efficiency of, July 1992: 10
 and Pythium-infected turf, Premier 1992: 2

 and regulatory issues, Premier 1992: 11
 and Summer Patch, June 1992: 4, June 1992: 7
field performance tables, turfgrass, Sept/Oct 1992: 5
fine fescue
 diseases of, June 1992: 1
 and drought stress, August 1992: 8
 and evaluation programs, Sept/Oct 1992: 1
 high maintenance impact on, July 1992: 10
 and *Rhizoctonia zeae* pathogen, August 1992: 2
flocculation, Nov/Dec 1992: 6
foliar disease
 and air temperatures, August 1992: 3
 and fungicides, Premier 1992: 5
 linear relationship between infection and symptoms, Premier 1992: 6
 on residential, commercial, and golf course turf, August 1992: 1
foliar mycelium
 defined, Premier 1992: 4
 evidence of, Premier 1992: 2
 and Pythium Blight, August 1992: 6
foliar Pythium. *See* Pythium (cottony) Blight
Fore™ contact fungicide, Premier 1992: 4, Premier 1992: 5
Fosetyl Al systemic fungicide, August 1992: 11
 for control of Pythium root rot diseases, Premier 1992: 4
 for turfgrass disease control, Premier 1992: 5
fungal pathogens, and scarab grubs, July 1992: 3
fungi
 and alternatives to pesticides, July 1992: 5
 causing leaf-blighting symptoms, August 1992: 1
Fungicide II™, Premier 1992: 4
fungicides
 choosing, Premier 1992: 3
 contact,, Premier 1992: 4—5
 for the control of root-rotting Pythium diseases of turfgrasses, Premier 1992: 4
 for controlling Summer Patch, June 1992: 3
 and Pythium Blight, August 1992: 11
 resistance to, Premier 1992: 5
 and Summer Patch, June 1992: 7
 systemic,, Premier 1992: 4—5
 used for turfgrass disease, Premier 1992: 5
Fungo 50™ systemic fungicide, Premier 1992: 5
Fungo fungicide, June 1992: 3
Fusarium Blight
 affecting cool season turfgrasses, June 1992: 1
 and Patch diseases, Premier 1992: 8
Fusarium Roseum, Premier 1992: 8

G

genetic color
 mean rates, Sept/Oct 1992: 9
 ratings of Kentucky bluegrass cultivars, Sept/Oct 1992: 5
genetically engineered bacteria, Sept/Oct 1992: 11
Glade Columbia Kentucky bluegrass, June 1992: 5
golf course
 disease effects, Premier 1992: 1
 and foliar disease, August 1992: 1
 and isofenphos, July 1992: 4
 poisoning of geese, Long Island, July 1992: 4
granular pesticides, August 1992: 11
grass seed buying decisions, Sept/Oct 1992: 1, Sept/Oct

1992 Subject Index

1992: 3, Sept/Oct 1992: 6
grease spot. *See* Pythium (cottony) Blight
Great Western Seed Co.
vs. Oregon Dept. of Agriculture and Oregon State University, August 1992: 11
grubs
control strategies, July 1992: 4, July 1992: 7
insect predators and parasites, July 1992: 2—3
and insecticide use, July 1992: 1
locating and controlling, July 1992: 1—2
gypsum applications, Nov/Dec 1992: 8

H

hazardous materials, transporting, July 1992: 9
hazardous waste
generators, Premier 1992: 11
regulations, July 1992: 9
hazardous waste water checklist, July 1992: 8
Helminthosporium leaf spots and blights, August 1992: 3
herbicide exposure, Premier 1992: 9
Heterorhadditis bacteriophora nematodes, July 1992: 3
high-endophyte grass varieties, July 1992: 7
home lawn, Premier 1992: 9
and chinchbug infestation, July 1992: 10
disease effects, Premier 1992: 1
and foliar disease, August 1992: 1
humic acid
defined, Nov/Dec 1992: 10
and flocculation, Nov/Dec 1992: 6
humus, defined, Nov/Dec 1992: 11
hybrids, turfgrass, Sept/Oct 1992: 9
hydrated lime applications, Nov/Dec 1992: 8
Hydrogen (H)
and Percent (%) Base Saturation (P.B.S.), Nov/Dec 1992: 8
in soil, Nov/Dec 1992: 1
hydrogen ions, and soil pH, Nov/Dec 1992: 6
hydroxylions, in high soil pH levels, Nov/Dec 1992: 6

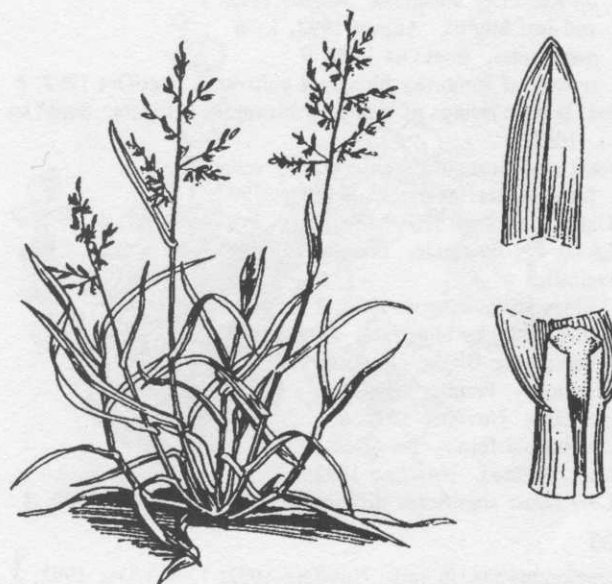

I

infection and symptom relationships, Premier 1992: 7
infection period, defined, Premier 1992: 4
Infrared or Radio Data-Lynx computerized telemetry system, July 1992: 11
inoculate, defined, June 1992: 8
inoculum, defined, Premier 1992: 4
insecticide
effect of sunlight (UV) on, July 1992: 3
for grubs, July 1992: 1
ion exchange
sites, defined, Nov/Dec 1992: 10
and soil pH, Nov/Dec 1992: 4
ions, defined, Nov/Dec 1992: 10
Iprodion systemic fungicide, Premier 1992: 5
Iron (Fe)
available forms and ion charges, Nov/Dec 1992: 1
and soil pH, Nov/Dec 1992: 4
irrigation
and drought stress, August 1992: 7—8, August 1992: 10
and soil pH, Nov/Dec 1992: 5
Isazophos restricted-use pesticide, July 1992: 5
Isofenphos insecticide
defined, July 1992: 7

for grub control, July 1992: 4, July 1992: 6
isolates, defined, June 1992: 8
Israeli scientists, study on nitrogen uptake, Sept/Oct 1992: 11

J

Japanese beetles
bacteria for infecting, July 1992: 6
and Degree Day modeling, July 1992: 6—7
eating and egg-laying habits, July 1992: 6
feeding sites, July 1992: 1
and high-endophyte grass varieties, July 1992: 7
insect predators and parasites, July 1992: 2—3
life cycle, July 1992: 1—2
management of, July 1992: 1—3
monitoring adult populations, July 1992: 7
and pathogenic nematodes, July 1992: 5—6
Pheromone (sex hormone) traps for, July 1992: 3
populations and soil temperatures, July 1992: 3
reducing adult populations of, July 1992: 3
treating in late summer, July 1992: 2

Annual bluegrass

K

Kentucky bluegrass
and billbugs, July 1992: 10
and Brown Patch, August 1992: 1
and Curvularia Blight, August 1992: 4
diseases of, June 1992: 1
Dollar Spot ratings, Sept/Oct 1992: 6
and evaluation programs, Sept/Oct 1992: 1
Leaf Spot ratings, Sept/Oct 1992: 6
and leaf spots from *C. sativus* infections, August 1992: 3
lesions, August 1992: 3
and Nigrospora Blight, August 1992: 5
ratings, Sept/Oct 1992: 5
resistance to *Cochliobolus sativus* (= *Bipolaris sorokiniana*), August 1992: 3
resistance to Summer Patch, June 1992: 5

1992 Subject Index

Koban™ contact fungicide, August 1992: 11
for Phythium root rot, Premier 1992: 3, Premier 1992: 4
for turfgrass disease control, Premier 1992: 5

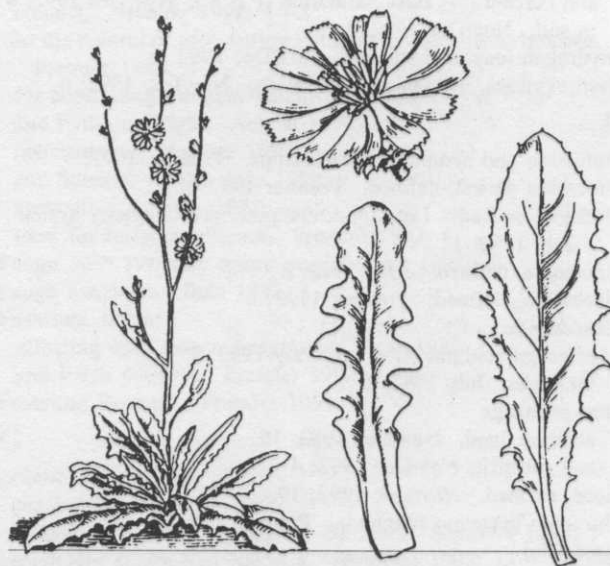

L

larvae. *See* grubs
lawn care business, Premier 1992: 14
