

TurfGrass TRENDS - 1996 Article Index

January 1996

- "Reduced Herbicide Application Rates for Crabgrass and Goosegrass Control in Bermudagrass" B. J. Johnson, pp. 1-6
"Herbicide-Resistant Weeds in Turfgrasses" Tim R. Murphy, pp. 7-10
"Conducting a Bioassay for Herbicide Residues" Joseph C. Neal, pp. 10-12

February 1996

- "Managing Turf for Maximum Root Growth: Are You Making Your Job More Difficult by Not Getting to the 'Roots' of Many Turf Management Problems?" Richard J. Hull, pp. 1-9
"Maximizing Disease Control with Fungicide Applications: The Basics of Turfgrass Fungicides-Part One: Fungicide Use and General Properties" Eric B. Nelson, pp. 10-17

March 1996

- "Growth Regulators and *Poa annua*" Thomas L. Watschke, pp. 1-4
"Maximizing Disease Control with Fungicide Applications: The Basics of Turfgrass Fungicides - Part Two: Behavior of Soil" Eric B. Nelson, pp. 5-11
"Poa Annua Management" Bridget Ruemmele, pp. 11-14

April 1996

- "Maximizing Disease Control with Fungicide Applications: The Basics of Turfgrass Fungicides - Part Three: Plant and Pathogen Factors Affecting Fungicide Efficacy" Eric B. Nelson, pp. 1-7
"Herbicide Effects on Bermudagrass Turf" Fred Fischel, pp. 8-13

May 1996

- "Multiple Considerations in Turfgrass and Landscape Pest Management" Michael G. Villani, pp. 1-7
"The First Registered Biological Control Product for Turf Disease: Bio-Trek 22G" G.E. Harman and C-T Lo, pp. 8-14

June 1996

- "Enhancing Turfgrass Disease Control with Organic Amendments" Eric B. Nelson, pp. 1-15

July 1996

- "Heat Stress and Decline of Creeping Bentgrass" Leon T. Lucas, pp. 1-8
"The Oriental Beetle" Steven R. Alm, pp. 9-13

August 1996

- "Field Testing of Biological Pesticides" David J. Shetlar, pp. 1 - 9
"The Basics of Turfgrass Fungicides - Part Four: Handling and Applying Fungicides" Eric B. Nelson, pp. 10-15

September 1996

- "Back to Basics-Insecticide Primer, Part One: What Insecticides Can and Cannot Do" Dr. Patricia J. Vittum, pp. 1-2, 4-8
"Where to Find Product Information" Michael G. Villani, pp. 3
"Fungicide Index: EPA Registered Fungicides for Turfgrass Applications in the United States" Eric B. Nelson and Dan Dinelli, pp. 13-18

October 1996

- "Managing Turf for Minimum Water Use" Richard J. Hull, pp. 1-8
"Turfgrass Diagnostic Laboratories in the United States and Canada" Eric B. Nelson and Erin Kennedy, pp. 10-14

November 1996

- "Effect of Nitrogen Fertilization on Turfgrass Disease Injury" John E. Watkins, pp. 1-5
"Nitrogen Usage By Turfgrasses" Richard J. Hull, pp. 6-15

December 1996

- "Maximizing Disease Control With Fungicide Applications: The Basics of Turfgrass Fungicides - Part Five: Record Keeping" Eric Nelson, pp. 1-5
"Maximizing Disease Control with Fungicide Applications: The Basics of Turfgrass Fungicides - Part Six: Human Health and Environmental Quality Considerations" Eric Nelson, pp. 13-17
"What to Do When A Spill Occurs" Agricom, Inc. pp 6
