PRESIDENT'S MESSAGE

by Michael R. Clark, CGCS

The President's Message is never an easy task and this month, it is particularly difficult since it is my first. I do want to thank the membership for the chance to serve the Association as President. Also thanks to Past President Larry for guiding us through 1974-75 in such fine shape.

The Board of Directors will be trying to provide programs and innovations it feels will be acceptable to the majority of members. For this to be successful, you the member, must make your desires known. Make a note of who your officers and board members are and should you have a suggestion, a complaint or a compliment, let it be known.

As President I have asked Cliff Wagoner to remain a non-voting honorary member of the board. Cliff has a knowledge of this Association and a feeling for it that few others have. The board has needed his expertise on some of our more difficult situations in the past and he has accepted the job for another year.

Michael R Clark
