"TYPO'S"

The typographical error
Is a slippery thing and sly.
You can hunt till you are dizzy,
But it somehow will get by.
Till the forms are off the presses,
It is strange how still it keeps,
It shrinks down in the corner,
And it never stirs or peeps.

The typographical error
Too small for human eyes,
Till the ink is on the paper,
When it grows to mountain size!
The boss just stares with horror,
Then he grabs his hair and groans.
The copy reader drops her head
Upon her hands and moans.
The remainder of the issue
May be as clean can be,
But that typographical error
Is the only thing you "sea"!

How true--How true - Liquid paper doesn't even catch them all
